

LPCA exists to cultivate parental involvement in the educational process of their children, to instill students with a biblical worldview and the passion to stand firm and articulate boldly in defense of their faith, to prepare them for the rigors of college to guide them into independent learning, and to train our students to always give themselves fully to the work of the Lord, because their labor will not be in vain. Truth is revealed by God through Christ “in Whom are hid all the treasures of wisdom and knowledge.”

## SCHOOL & COMMUNITY

Founded in 2005, Legacy Preparatory Christian Academy (LPCA) is a private Christian school currently comprised of grades Pre-K through 10th. Legacy prepares students to be successful in college and life by providing a rigorous academic background that is rich in opportunities. We strive to develop a biblical worldview combined with community service, a strong work ethic, and study habits critical to college-worthy students.

The vision of LPCA is to cultivate parental involvement in the educational process of their children; to instill students with a biblical worldview and the passion to stand firm and articulate boldly in defense of their faith, to prepare them for the rigors of college, to guide them into independent learning, and to train our students to always give themselves fully to the work of the Lord, because their labor will not be in vain. Truth is revealed by God through Christ “in Whom are hid all the treasures of wisdom and knowledge.” Colossians 2:3

LPCA is a University Model School certified by the National Association of University Model Schools (NAUMS), headquartered in Fort Worth, Texas. Legacy attained NAUMS certification in July 2008. LPCA is accredited by AdvancEd/SACS (Southern Association of Colleges and Schools).

As a University Model School, Legacy operates on a two-day per week schedule for Lower School students in grades Pre-K through 4th. Language Arts and Math are taught for one-and-a-half hours each school day, for a total of four-and-a-half hours per week. Students spend approximately one to one-and-a-half additional hours in these two subjects at home under the supervision of their parents. Science and History are also taught on Mondays and Wednesdays in hour-long classes and students will spend an additional hour per subject at home on Tuesday and Thursday.

Our Middle School comprises 5th-8th grades. Students attend school on Monday, Wednesday, and Friday. Math and Language Arts are taught for one-and-a-half hours on Mondays and Wednesdays and one hour and fifteen minutes on Fridays for a total of four hours and fifteen minutes per week. Students will spend approximately one to one-and-a-half additional hours in these two subjects at home under the supervision of their parents. Science and History are also taught Monday, Wednesday, and Friday in hour-long classes and students will spend an additional hour per subject at home on Tuesday and Thursday. Science Labs take place on campus.

LPCA Upper School is currently represented by children in 9th and 10th grades. Courses are taught on a block schedule on Mondays, Wednesdays and Fridays for one hour per course, per day, for a total of three hours of classroom instruction per week. Students can expect to spend at least one hour per subject at home on Tuesday and Thursday, under the supervision of their parents.

Most courses are completed in two 16-week semesters, with students receiving one-half credit per semester, per course. The school year is divided into two 16-week semesters: Fall running from August through December, and Spring running from January through May.

Legacy's teaching faculty includes 28 teachers. Our student-to-teacher ratio is 14:1 in Pre-K through 2nd grades, 10:1 in Lower School, 18:1 in the Middle School classrooms, and 21:1 in Upper School. Our current enrollment is approximately 230 students. We will be adding 11th grade in the 2012-2013 school year.

Legacy is currently located in The Woodlands, Texas, in a building owned by Woodland Place Baptist Church. A Capital Campaign is underway to build a permanent home for Legacy.

Legacy has an excellent and supportive staff that includes Audra May as Executive Director, Jennie Moyer as Business Director, Dawnette Laycock as Academic Advisor, Julie Hauser as Dean of Curriculum, Jeana Francis as Director of Program Support, Becky Hogan as Dean of Student Life, Stephanie Koppelman as Dean of Family Ministry, and Leah Ford as Athletic Director. In addition, Legacy's administration is governed by a five-member Board of Directors, which meets monthly.

LPCA exists to cultivate parental involvement in the educational process of their children, to instill students with a biblical worldview and the passion to stand firm and articulate boldly in defense of their faith, to prepare them for the rigors of college to guide them into independent learning, and to train our students to always give themselves fully to the work of the Lord, because their labor will not be in vain. Truth is revealed by God through Christ "in Whom are hid all the treasures of wisdom and knowledge."

Foreign Language	3 credits (3 years of the same language)
PE/Athletics	1 credit (PE, Cheer, Football, Basketball)
Fine Arts	1 credit (Art, Drama, Music, Logic, Speech, Rhetoric)
Speech	1 credit (Speech I)
General Electives	4 credits (Publications, Logic, Rhetoric, Finance, Health)
<b>TOTAL</b>	<b>26 CREDITS</b>

Courses are taught at an honors pace, with students working one year ahead of grade level for math. Some of the Course offerings for students entering High School will include English I-IV, Algebra I & II, Geometry, Trig/Pre-Calculus, IPC (Integrated Physics and Chemistry), Biology, Chemistry, Physics, Anatomy & Physiology, World Geography, World History, US History, Government, Economics, Spanish I, II & III, Art I & II, Speech, Bible Courses, and Technology. All courses are considered to be rigorous and college preparatory.

## GRADING SYSTEM

NUMERICAL	LETTER	GRADE POINTS
90-100	A	4.00
80-89	B	3.00
75-79	C	2.00
70-74	D	1.00
Below 70	F	0.00

No credits are awarded for grades lower than 70. One-half credit is awarded per semester, and a year-long (two semester) course is granted one credit. Courses are graded on a scale of 1 to 100. The course grade represents a percentage of content mastery. No grades in excess of 100 are awarded. WP indicates a withdrawal after eight weeks with a passing grade. WF indicates a withdrawal after eight weeks with a failing grade.
