

1st Annual Lion's Pride Booster Club Golf Tournament

Saturday, September 24, 2011
8:00 – 8:45am Registration
9:00am Shotgun Start

The Legacy PCA Booster club invites you to participate in their *1st Annual Lion's Pride Golf Tournament* at Woodforest Golf Club. Legacy Preparatory was founded in 2005 with 43 students and now has grown to over 230 students with a full spectrum of extracurricular activities including athletics. Legacy PCA represents Houston's first University Model School where we successfully facilitate a University Style schedule with proven college preparatory academic performance. Our athletics program includes boys / girls basketball, 6 man tackle football, and cheer. We have a unique place in the educational market in Montgomery County offering Character based Christian Education with a successful academic track record. This model is one of the fastest growing educational models in the U.S.

Our goal is to raise funds that will have immediate impact on our athletics program and assist in the growth of new programs (baseball, track, golf, lacrosse, and tennis) for all of our students. Our hope is that you will sign up a foursome, come have a great time, and support a very worthwhile program. We look forward to seeing you and thank you in advance for your support of Legacy Preparatory Christian Academy Athletics.
